

EE543 PROJECT PROPOSAL FORM

email to halici@metu.edu.tr by November 16, 2018 23:59

The proposal form may be updated in time as necessary, but major changes such as change in members of the team, dataset and methods should be e-mailed immediately. Up to **December 10, 2018**, you can do changes, but after this date it will not be allowed to make major changes, since the time slots for presentations will be adjusted accordingly.

GROUP MEMBERS

Photo, Name, SURNAME, email, phone, webpage

METHODS:

the methods that you are going to apply and the related websites for library or sourcecode.

PROBLEM CATEGORY

Explain the problem category that you want to work on

DATASET

Explain the dataset you are going to use: what is the content, number of classes, how many examples available etc., the website that you get the data etc.
